

M. SCOTT VEACH
writer/director

Los Angeles, CA 90014

Born in Oxford, England to American parents, Scott was raised in Houston, Texas, where his father was a space shuttle astronaut.

Scott received an M.S. in Computer Science from Stanford University where he was a National Science Foundation fellow. Rounding out the nerd trifecta, he was ranked as one of the top ten college debaters in the nation.

He recently completed his coursework in the M.F.A. program at UCLA where he received numerous awards for his short films, including the Jack Nicholson Award for Distinguished Directing. His short film, *Movies by Moonlight*, won the Coca-Cola Refreshing Filmmaker Finalist Award and was screened at the Sundance Film Festival.

He is represented by Barry Kotler at The Gersh Agency.
